Meet the New Principal, Rollie Marshall

Mr. Marshall and his wife are both graduates of Wallowa High School and fully understand the importance of small schools and how they can positively impact student leaders of tomorrow. Having raised his family in South Morrow County he feels he understands the importance of being invested in the community you live and work in. Mr. Marshall has 9 years of administrative experience at Weston-McEwen High School, Nyssa High School and Nyssa Middle School.

Prior to that he spent 29 years in the banking industry and feels he has gained valuable practice in his management and people skills. He is really looking forward to being a CARDINAL! Simply the Best. Mr. Marshall will begin his new job here with us on July 1st.

GREAT NEWS!!!

Donations and fundraising for the outdoor drinking fountain in memory of Wyatt Aleksa have ended in success! The fountain will be installed over the summer, just in time for long hot days.

Thank you to Ashley McCabe for working so hard on this.

Foreign Exchange Students Waiting for an American Home!

New foreign exchange students are awaiting the opportunity to come to America for the 2016-17 year. We have both full school year students and semester students available!

While they are here for their brief visit I invite you to share a joy together as they participate in American sports, experience our friendly teachers and school, and positive community support. Most important of all is they become a part of your family.

This experience not only broadens their view of how Americans really live but also strengthens our bonds globally. Students are 15-18 years old and come with their own spending money, medical insurance, and are excited to be a part of your family to exchange their culture with you!

If you are interested please contact Cathy Halvorsen at 541-561-5596 or cathy.halvorsen@ionesd.org or go to www.host.asse.com.
